# Pushparaj K

## Frontend Developer

📞 7806995770    @ sanjuraj.1438@protonmail.com    📍 Bagalur - 635105

## SUMMARY

Highly motivated and results-oriented React.js developer with 3.3 years of experience crafting exceptional web applications. Proven ability to design, develop, and maintain user-friendly interfaces using React.js, Tailwind CSS, and JavaScript. Skilled in building reusable components and integrating third-party APIs for enhanced functionality. Adept at collaborating with backend developers, UX/UI designers, and team members to deliver high-quality solutions. Passionate about building innovative and scalable applications that drive user engagement.

## PROFESSIONAL EXPERIENCE

### Frontend Developer

**Vahmine Technologies**        📅 2022 - Present    📍 HSR Layout

Revamped CRM interface for better usability and integrated third-party APIs, leading a team to meet KPIs and mentoring colleagues for seamless front-end and back-end integration.

- **Elevated user experience (UX):** Revamped CRM interface for improved usability and accessibility across a diverse user base.
- **Enhanced functionality:** Seamlessly integrated third-party APIs to expand product functionalities and meet evolving user needs.
- **Streamlined development:** Championed the creation of reusable components for efficient and maintainable code.
- **Effective collaboration:** Worked closely with backend developers to ensure flawless front-end and back-end integration.
- **Empowering mentorship:** Coached team members on new or complex workflows, accelerating knowledge transfer and team effectiveness.
- **Leadership:** Led a team of 2 to successfully achieve KPI targets and complete assigned tasks on time.

### PHP / Laravel Developer

**Pixeltre Solutions**        📅 2021 - 2022    📍 Hosur

Developed maintainable and well-tested code, built scalable software applications, and implemented innovative solutions for complex challenges. Expertise in full-stack development with a focus on performance and functionality.

- **Solid code foundation:** Developed well-structured, maintainable, and well-tested code across various projects.
- **Scalability expertise:** Built scalable software applications to ensure optimal performance under varying load conditions.
- **Technical problem-solving:** Implemented innovative coding solutions to tackle complex technical challenges and enhance system functionality.
- **Full-stack development:** Developed functional web applications using clean and robust code.

## EDUCATION

### Bachelor of Engineering, Computer Science

**PMC Tech**        📅 2015 - 2019    📍 Shoolagiri

### Higher Secondary Education, Computational Science

**Sri Vijay Vidyalaya**        📅 2013 - 2015    📍 Hosur

### Secondary School Education

**Brilliant Ideal High School**        📅 2012 - 2013    📍 Bagalur

## SKILLS

### Technical Skills:

**Front-End Development:** React.js, Tailwind CSS, JavaScript, HTML5, CSS3, Jquery
**Back-End Development:** PHP, Laravel
**Databases:** MySQL
**Version Control:** Git/GitHub/Bitbucket
**Figma:** wireframing & prototyping.

### Advanced Skills:

**Build Tools:** Webpack or Parcel for bundling and optimizing front-end code for production.
**State Management:** Redux for managing complex application state in large React applications.
**API Integration:** Fetching and manipulating data from APIs to extend application's functionality.
**Testing Frameworks:** Jest for automated testing.
**DevOps Tools:** Familiar with Github CI/CD for automating builds and deployments.

### Soft Skills:

**Communication:** Excellent written and verbal communication skills.
**Collaboration:** Adept at collaborating effectively with cross-functional teams.
**Problem-Solving:** Strong analytical and problem-solving skills.
**Time Management:** Efficiently manages time to meet deadlines and deliver projects on schedule
